Re: Resident Services Lead – Heritage Tower

Date: June 19, 2024

I am pleased to formally announce that Anita Engl has accepted the Resident Services Lead position at the Peace River Heritage Tower Lodge, effective June 16, 2024.

Reporting to the Housing Accommodations Manager, Anita will be responsible for coordinating and monitoring the resident services within the Lodge. In this role, Anita will play a key part in ensuring the Resident Services staff are well-trained and knowledgeable about relevant legislation, policies, and procedures.

Anita brings a wealth of experience to this position, with nearly twenty-four years of dedicated service with the North Peace Housing Foundation (NPHF). Throughout her tenure, she has demonstrated compassion, collaboration, and mentorship, enhancing her natural leadership abilities. Anita takes great pride in her work, and we are confident that this sense of ownership and relentless pursuit of excellence will continue to shine in her role as the Resident Services Lead.

Within this announcement, we would also like to extend our sincere congratulations and gratitude to Linda Jones, our current Resident Services Lead at the Heritage Tower, as she embarks on her retirement, effective July 16, 2024. Linda has built numerous long-lasting and meaningful connections, significantly contributing to our organization's success throughout her nearly twenty-six years of employment. Her devotion and steadfast commitment have been invaluable, and she will be greatly missed.

To facilitate a seamless transition of information and duties, Anita will collaborate closely with Linda, who will continue as the primary contact for all Lead responsibilities until her departure. We are confident that this partnership will ensure the smooth transfer of knowledge and responsibilities.

Please join me in extending a warm congratulations to Linda on her retirement and a heartfelt welcome to Anita in her new role.

Sincerely,

Tammy Menssa
Executive Director
North Peace Housing Foundation
