Re: Maintenance Team

Date: June 19, 2024

I am excited to share some updates regarding our Maintenance team. We have three new team members to introduce, along with two summer students, and we will also be bidding farewell to a valued team member who is retiring.

Introduction of New Maintenance Workers:

1. Jesse Nergard – joined our team in November of 2023 as a member of our Maintenance team. He operates out of the Peace River Central Office and focuses most of his time on the Grimshaw, Berwyn area.
2. Brandon Geleta – is the newest member of our Maintenance team, starting with us in May of 2024. He also works out of the Peace River Central Office and primarily serves our Community Housing units in the Peace River/Nampa area.
3. Barry O'reilly - will be joining our maintenance team on June 24, 2024. His focus will be the Fairview and Hines Creek area, and he will report out of the Fairview Harvest Lodge. During Barry's first week with the Foundation, he will work alongside Ben as he prepares for his retirement.

Each of these team members brings with them a diverse maintenance skill set and many years of experience. Their hands-on experience and dedication to maintenance are tremendous assets to the Foundation and will ensure the smooth operation of our facilities.

Summer Students:

This summer we welcomed two Maintenance Students, Kamryn Sware and Michael Basco. Both Kamryn and Michael work out of the Peace River Central Office but provide support to the entire Foundation geographic area. Kamryn and Michael have been a welcome addition and have contributed immensely to the upkeep of our facilities. They will continue to work with us until August of this year, when they will return to their school studies.

Retirement Announcement:

After 7+ years of dedicated service, Ben Snisarenko, has decided to retire. As an integral member of our

Maintenance team, Ben has played a crucial role in ensuring the successful operation of our Fairview and Hines Creek Lodges, Fairview Seniors Apartments, and Community Housing units.

Ben's last working day will be June 28, 2024. We extend our heartfelt gratitude for his invaluable contributions and wish him all the best as he embarks on this new chapter of his life. May his retirement be filled with joy, relaxation, and all the adventures he looks forward to.

Please join me in wishing Ben a happy retirement and warmly welcoming our new team members.

Sincerely,

A handwritten signature in blue ink that reads "Tammy Menssa". The signature is fluid and cursive, with the first name being more prominent.
